

## THE SUPREME COURT *of* OHIO JUDICIAL COLLEGE

Greetings judicial officers, court personnel, and on-site training supervisors,

The Supreme Court of Ohio's Judicial College is proud to be the primary provider of education for guardians of adults, as described in Superintendence Rule 66. The Judicial College is continuously developing opportunities to meet mandatory training requirements for your court's guardians.

### **ONLINE COURSES**

We are excited to share that 13 courses with CLE credit are available on the new [OhioCourtEDU](#). Accounts from the old OhioCourtEDU have been transferred to the new system, so guardians who completed online courses before can select login. To login the first time, users must reset their passwords. Guardians should not create new accounts unless they have never completed online courses in OhioCourtEDU before. If any guardians need help accessing the new system, they should email [OhioCourtEDU@sc.ohio.gov](mailto:OhioCourtEDU@sc.ohio.gov).

To view course links below, users will need to first successfully login to the new OhioCourtEDU:

- [Advocacy and Conflict Resolution](#) (3 hours) **\*NEW FOR 2024**

### **IN-PERSON COURSES**

All of the above courses can be offered in person. A schedule of courses at sites throughout Ohio is posted on the Judicial College's [Adult Guardianship Education web page](#).

If your court's guardians are requesting local in-person education, the Judicial College can assist by providing video, digital, and print course materials free of charge. **If your court or a partner agency is interested in hosting on-site courses in your county, please email the Judicial College at [AdultGuardianEDU@sc.ohio.gov](mailto:AdultGuardianEDU@sc.ohio.gov) for further information.**

If you have questions about any of these resources, please contact us. If someone else in your court should receive information about education for guardians of adults, please let us know, so we can add them to this distribution list.

The Supreme Court of Ohio recognizes the important role that your courts play in ensuring the safety and well-being of adults under guardianship. Thank you for your service, and the Judicial College looks forward to continuing to serve you in the future.
